This resolution directs the Department of Employee Relations to report annually to the Common Council strategies for reducing educational barriers to City employment in favor of providing more robust on-the-job training.

Whereas, Amendment 32 placed a footnote in the Budget stating, “The Director of Employee Relations shall present a report to the Common Council on strategies for reducing educational barriers to City employment in favor of providing more robust on the job training”; and

Whereas, The Finance and Personnel Committee annually conducts hearings regarding the Mayor’s Proposed Budget; and

Whereas, City Departments provide testimony at the Budget hearings regarding their efforts in training employees and offering opportunities for advancement; and

Whereas, The Common Council has expressed the importance of providing employees with opportunities for advancement and in hearing about those opportunities for all departments to get a more complete understanding; and
