Whereas, Milwaukee has the 4th highest poverty rate among major U.S. cities, and this is largely driven by the continued impact of historic discriminatory practices and disinvestment; and

Whereas, Data show that these persistent, negative conditions fall disproportionately on people of color, with high incidences of infant mortality, lead-based paint contamination, sexually-transmitted diseases, low educational attainment, crime, unemployment/underemployment and housing instability; and

Whereas, Disparate and parallel efforts over several decades have failed to address these problems in a sustained and meaningful way; and

Whereas, The City, County and Milwaukee Public Schools share a common interest to improve the lives and conditions of Milwaukee residents; and

Whereas, The City, County and Milwaukee Public Schools are under ever-mounting financial pressure from a combination of rising pension obligations, stagnant shared revenues and forced reliance on property taxes; and

Whereas, The City, County and Milwaukee Public Schools share many of the same administrative and service needs; and

Whereas, Non-partisan research by the Wisconsin Policy Forum has outlined a number of areas where services might be successfully shared; and

Whereas, Combined services and shared costs have been successfully implemented by a number of Wisconsin cities, towns, villages and counties; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the ONE Milwaukee Task Force, consisting of the following members, is created:

1. The Common Council President or designee.
2. The Milwaukee Public Schools Superintendent or designee.
3. The Milwaukee Public Schools Board President or designee.
4. The Chair of Milwaukee County Board of Supervisors or designee.
5. A Milwaukee County Supervisor appointed by the Chair of the County Board of Supervisors or designee.
