THE CHAIR

Resolution relating to acceptance and funding of a Green Solutions grant from the Milwaukee Metropolitan Sewerage District for the installation of three (3) green alleys to be constructed as part of the City's 2020 alley reconstruction program in the 1st, 5th, and 15th Aldermanic Districts.

This resolution authorizes the Department of Public Works, Infrastructure Services Division, to accept a Milwaukee Metropolitan Sewerage District Green Solutions grant funding for the construction of green alleys in the City of Milwaukee in the amount of \$430,427 to install three (3) green alleys that will be constructed as part of the City's 2020 alley reconstruction program. The resolution also authorizes the Commissioner of Public Works to execute a Green Solutions Funding Agreement with the Milwaukee Metropolitan Sewerage District to install said alleys.

Whereas, The Milwaukee Metropolitan Sewerage District (MMSD) is responsible for collecting and treating wastewater from local sewerage systems; and

Whereas, Green infrastructure, such as green alleys, reduces the volume of stormwater in the sewer system and the amount of pollutants discharged to surface waters; and

Whereas, Green alleys consist of permeable pavers constructed in the center 4-foot of newly reconstructed alleys; and

Whereas, MMSD desires to promote the installation of Best Management Practices such as green

alleys and is willing to provide the City funding as part of its Green Solutions Program; and

Whereas, The Common Council has adopted File Numbers 191655 and 191784 authorizing the construction of said alley projects at locations bounded by the areas:

West Lloyd St., West North Ave., North 14th St and North 15th St.
West Auer Ave., West Burleigh St., North 80th St., and North 81st St.
West Douglas Ave., West Kaul Ave., North 37th St. and North 38th St.

Whereas, The City is proposing the construction of green alleys within said alleys; and

Whereas, The cost of the green alley portion of the alley reconstruction projects is approximately \$430,427; and

Whereas, Plans, specifications and cost estimates have been prepared for these projects; now, therefore, be it

Resolved, That the Commissioner of Public Works is authorized to accept MMSD Green Solutions grant funding without further Common Council approval, unless the terms of the grant change as indicated in Common Council File 030712; and, be it

Further Resolved, That the Commissioner of Public Works is authorized to execute the Green Solutions Funding Agreement between the City and the MMSD, a copy of which is attached hereto; and, be it

Further Resolved, That upon approval of this Agreement, the City Comptroller is authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project, and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater, as follows:

Project/Grant	Parent Grantor Share
Project/Grant	SM320200000
Fund	0491
Organization	2110
Program	0001
Amount	\$430,427

; and, be it

Further Resolved, That these funds are appropriated to the Department of Public Works, which is authorized to expend from the amount budgeted for specific purposes as indicated in the grant budgets and incur costs consistent with the award date; and, be it

Further Resolved, That the Commissioner of Public Works shall have the authority to authorize transfers within the project budget so long as the amount expended for any purpose shall not exceed the amount authorized by the budget by 10% and such transfers are in accordance with grantor regulations; and, be it

Further Resolved, That the Commissioner of Public Works, on behalf of the City of Milwaukee, is authorized to enter into subcontracts (and leases) as detailed in the project budget and in accordance with City purchasing procedures and grant and aid guidelines for awarding such contracts.
