ORIGINAL

THE CHAIR

Resolution relating to the application for, and acceptance, funding and expenditure of, a Wisconsin Department of Administration 2020 Wisconsin Coastal Management Program grant for Port Milwaukee's Capital Asset Renewal Plan.

This resolution authorizes Port Milwaukee to apply for, accept, fund and expend a Wisconsin Department of Administration 2020 Wisconsin Coastal Management Program grant in the amount of \$40,000 for creation of a Capital Asset Renewal Plan.

Whereas, The City of Milwaukee appears to be eligible for 2020 Wisconsin Coastal Management Program funds from the Wisconsin Department of Administration (WisDOA); and

Whereas, It is the mission of Port Milwaukee to enhance the overall economic environment of the region by stimulating trade, business, and employment through its commercial, recreational, and cruise ship operations; and

Whereas, Port Milwaukee owns and maintains multimodal transportation and infrastructure capital assets to provide access to domestic and international shipping, rail, and over-the-road

transportation; and

Whereas, The Port's capital assets are several decades old and are approaching a state of consistent degradation and deterioration;

Whereas, A strategic and budgetary approach to address deferred maintenance is warranted to perpetually avail the Port's assets in the future; and

Whereas, The Port seeks to establish a new Capital Asset Renewal Plan (CARP) to comprehensively inventory and address deficiencies in Port facilities and infrastructure with robust community input; and

Whereas, The CARP will include a diagnosis of the planned, cyclical refurbishment of the Port's assets to maintain a perpetual state of good repair; and

Whereas, The CARP will also identify deferred maintenance needs, as well as Port assets which have or will shortly exceed their useful lives; and

Whereas, The costs associated with establishing a CARP are estimated to be at least \$200,000, of which \$40,000 (20.0%) will be provided by WisDOA (Grantor share) and at least \$160,000 (80.0%) will be provided by the City budget (Capital Fund PT180000200, City Share); now, therefore, be it

Resolve, By the Common Council of the City of Milwaukee, that Port Milwaukee is authorized to apply for and accept the WisDOA 2020 Wisconsin Coastal Management Program grant in accordance with the terms of the attached Agreement # AD209127-021.12 by and between the Port and WisDOA without further Common Council approval unless the terms of the grant change in a manner described in s. 304-81 of the Milwaukee Code of Ordinances; and, be it

Further Resolved, That the City Comptroller is authorized and directed to transfer \$160,000 from the PT180000200 (Pier Berth Channel Improvements) capital account to the PT180000500 (Coastal Management CARP) capital account; and, be it

Further Resolved, That the City Comptroller is authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant number for this project and to transfer the amounts to this project as follows:

Port Milwaukee  
2020 Wisconsin Coastal Management Program  
Grantor Reimbursable Funds  
\$40,000

; and, be it

Further Resolved, That Port Milwaukee is authorized to expend these funds for the specified purpose as indicated in the grant agreement; and, be it

Further Resolved, That the Municipal Port Director, as representative of the Board of Harbor Commissioners, is authorized to sign agreements, forms, claims, and other required documents binding upon the Board in connection with the application for, and acceptance of, this WisDOA

Wisconsin Coastal Management Program grant; and, be it

Further Resolved, That the proper City officials are directed to execute the attached Agreement # AD209127-021.12 by and between WisDOA and Port Milwaukee on behalf of the City.

Port Milwaukee
