

This resolution acknowledges that the executive command staff of the Police Department has agreed to pursue certain measurable goals and strategies related to staffing, response times, traffic enforcement, crime reduction, technology integration and community oriented policing, as desired by the Common Council.

Whereas, Under the terms of CFDA #16.710, the City of Milwaukee appears to be eligible for grant funds from the U.S. Department of Justice, Office of Community Oriented Policing Services; and

Whereas, The operation of this grant from 07/01/20 to 06/30/23 would cost \$9,712,096, of which 100% would be provided by the grantor; and

Whereas, The Milwaukee Police Department will hire 30 new officers; and

Whereas, Some members of the Common Council have expressed a desire for the Milwaukee Police Department to adopt a number of measurable goals and strategies as a condition of accepting the COPS grant; and

Whereas, On January 12, 2021, the executive command staff of the Milwaukee Police Department issued a signed statement, included in the record of this file, acknowledging the Common Council's priorities and indicating that the Police Department would work to achieve the following goals and strategies:

1. Incorporating a performance-based approach for producing measurements for police staffing and allocations guided by the framework and recommendations included in the Office of Community Oriented Policing Services - University of Michigan report, "A Performance-Based Approach to Police Staffing and Allocations".
2. Improving police response times, particularly responses to lower priority calls, compared to average response times at 2020 year-end.
3. Working cooperatively with the Department of Administration, who will conduct a civilian-sworn patrol resource analysis of the Police Department, similar in nature to the 2007 Patrol Resource Analysis conducted by Matrix Consulting Group.
4. Expediting implementation of previously-authorized technology integration systems, and in particular implementing Project Greenlight, as a means of leveraging technology resources to reduce strain on sworn and civilian personnel from budget constraints.
5. Participating and deploying in Milwaukee Promise Zones as a form of community engagement and crime prevention.
6. In collaboration with the Community Collaborative Commission, developing a Community Oriented Policing Standard Operating Procedure. The intention is to demonstrate a commitment to building and maintaining relationships with community members and groups, and to collaborate with the community to address public safety issues and identify solutions to neighborhood problems.
7. Prioritizing traffic enforcement and working with the community and system partners to augment and improvement reckless driving enforcement.

; and

Whereas, The executive command staff further agreed to report measurable progress in preparing and implementing the aforementioned plans and strategies to the Common Council within 90 days of adoption of this resolution, and every 4 months thereafter for the term of the 2020 COPS CHP grant,

or as otherwise deemed necessary by the Common Council; now, therefore, be it
