THE CHAIR

Resolution relative to approval of an Intergovernmental Cooperation Agreement between the City of Milwaukee and the Milwaukee Metropolitan Sewerage District for the purpose of establishing the terms and conditions for the River Skimmer Operation from 2021 to 2025.

This resolution approves the Intergovernmental Cooperation Agreement between the City of Milwaukee and the Milwaukee Metropolitan Sewerage District for the purpose of establishing the terms and conditions for the River Skimmer Operation from 2021 to 2025. The purpose of this agreement is to promote the use and enjoyment of downtown Milwaukee’s waterways by continuing a program to remove debris from the Milwaukee River, Menomonee River, Kinnickinnic River, Menomonee Canal, Milwaukee Estuary, and the Inner Harbor.

Whereas, Downtown Milwaukee contains the Milwaukee, Menomonee, and Kinnickinnic Rivers, the Menomonee Canal, the Milwaukee Estuary, and the Inner Harbor (waterways); and

Whereas, The Waterways provide transportation, recreation, and scenic beauty to downtown residents, workers, and visitors; and

Whereas, The removal of debris will promote the use and enjoyment of said Waterways; and

Whereas, The Milwaukee Metropolitan Sewerage District (MMSD) owns a skimmer vessel for removing debris from the Waterways; and

Whereas, The City's support for operating the skimmer vessel allows more extensive operation than would otherwise occur; and

Whereas, The City and the MMSD desire to enter into an Intergovernmental Cooperation Agreement (ICA) to continue a program to remove debris from the Waterways; and

Whereas, Said Intergovernmental Cooperation Agreement, copy of which is attached to this file, outlines the responsibilities of both the City and of MMSD; and

Whereas, The ICA stipulates that MMSD shall provide the skimmer including its maintenance, fuel, and berthing, manage and coordinate skimmer operations and provide annual reports to the City before the end of each year; and

Whereas, The ICA also stipulates that the City shall pay MMSD \$50,000 for its share of the operational costs for 2021; and

Whereas, MMSD will determine future City costs in collaboration with the City, in consideration of past funding amounts, the estimated costs for the current year, and other relevant factors; and

Whereas, The Agreement is effective on May 1, 2021 and terminates on December 31, 2025; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the annual funding amounts be appropriated from the Department of Public Work's Sewer Maintenance Operating Expenditures Account (Account Number 0490-6831-R999-634000); and, be it

Further Resolved, That said Intergovernmental Cooperation Agreement is approved in substantially the same form as is attached to this file; and, be it

Further Resolved, That the proper City officers, including the Commissioner of the Department of Public Works, are hereby authorized to execute the Agreement.
