### THE CHAIR

Resolution authorizing the Commissioner of Public Works and Comptroller to execute a State Municipal Agreement with the Wisconsin Department of Transportation for the installation of traffic signal improvements and to fund preliminary engineering at six intersections on West Silver Spring Drive in various Aldermanic Districts with a total estimated cost of \$200,000, with an estimated grantor share of \$180,000, and an estimated City share of \$20,000.

This resolution authorizes the Commissioner of Public Works and Comptroller to execute a State Municipal Agreement with the Wisconsin Department of Transportation for the installation of traffic signal improvements and to fund preliminary engineering at six intersections on West Silver Spring Drive in various Aldermanic Districts. The total estimated cost of the project is \$1,417,715, with a grantor share of \$1,271,444, and a City share of \$146,272. The total estimated preliminary engineering cost is \$200,000, with an estimated grantor share of \$180,000, and an estimated City share of \$20,000. Approval of construction costs will be in a future resolution.

Whereas, Preliminary approval has been requested and received from the Wisconsin Department of

Transportation, along with a State Municipal Agreement to be executed by the City of Milwaukee, for the installation of traffic signal improvements at six intersections on West Silver Spring Drive under the 2021 Highway Safety Improvement Project program; and

Whereas, The installation of traffic signal improvements at the six intersections identified on West Silver Spring Drive at is anticipated to reduce the frequency and severity of crashes at the intersections identified; and

Whereas, The Wisconsin Department of Transportation has submitted a State Municipal Agreement for execution by the City of Milwaukee for the design and construction of:

West Silver Spring Drive  
Six Local Intersections  
Milwaukee County

and

Whereas, The State cannot proceed with any project cost overruns or changes in scope of more than 5% without prior Department of Public Works approval; and

Whereas, The Department of Public Works shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns or changes in scope approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100% liable for any such project cost overruns or changes in scope as approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any costs incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works and the Comptroller are authorized to execute a State Municipal Agreement for the programming, design, and construction of the aforementioned project with Highway Safety Improvement Program funds, a copy of which is attached to and incorporated in this resolution by reference as though set forth in full; and, be it

Further Resolved, That the proper City of Milwaukee official is hereby directed to undertake preliminary engineering for the above-mentioned project which is anticipated to begin in 2021 and to reimburse WISDOT for preliminary engineering costs they incur for the improvements; and, be it

Further Resolved, That the Department of Public Works shall request in a future resolution funding for the construction phases of the project; and, be it

Further Resolved, That the City Comptroller is hereby authorized to create within the Capital Improvement Fund, Grant and Aid Projects, the necessary Project Grant Chartfield Values for preliminary engineering for the project and transfer to any of these accounts the amount required under this grant agreement and City Accounting policy, but not to exceed a ten percent increase of the total amounts reserved for the grantor's share

and the local share or \$5,000, whichever is greater as follows:
