THE CHAIR

Resolution relating to acceptance and funding of a Green Solutions grant from the Milwaukee Metropolitan Sewerage District for the installation of three green alleys to be constructed as part of the City's 2022 alley reconstruction program in the 2nd, 8th and 14th Aldermanic Districts.

This resolution authorizes the Department of Public Works, Infrastructure Services Division, to accept a Milwaukee Metropolitan Sewerage District Green Solutions grant funding for the construction of green alleys in the City of Milwaukee in the amount of \$560,000 to install three green alleys that will be constructed as part of the City's 2022 alley reconstruction program. The resolution also authorizes the Commissioner of Public Works to execute a Green Solutions Funding Agreement with the Milwaukee Metropolitan Sewerage District to install said alleys.

Whereas, The Milwaukee Metropolitan Sewerage District (MMSD) is responsible for collecting and treating wastewater from local sewerage systems; and

Whereas, Green infrastructure, such as green alleys, reduces the volume of stormwater in the sewer system and the amount of pollutants discharged to surface waters; and

Whereas, Green alleys consist of permeable pavers constructed in the center 4-foot of newly reconstructed alleys; and

Whereas, MMSD desires to promote the installation of Best Management Practices such as green alleys and is willing to provide the City funding as part of its Green Solutions Program; and

Whereas, The City has selected the alleys bounded by the following streets to be permeable:

- West Becher Street, West Rodgers Street, South 35th Street, South 36th Street
- West Euclid Avenue, West Ohio Avenue, South 12th Street, South 13th Street
- West Hope Avenue, West Marion Street, North 62nd Street, North 63rd Street; and

Whereas, MMSD is willing to reimburse the City up to \$560,000 towards the cost of the permeable pavers and related items of the three said alleys; now, therefore, be it

Resolved, That the Commissioner of Public Works is authorized to accept MMSD Green Solutions Funding in accordance with Milwaukee Code of Ordinances 304-81, and to execute the grant agreement in the form submitted to this file, or in material conformance therewith; and, be it

Further Resolved, That upon approval of this Agreement, the City Comptroller is authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project, and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater, as follows:

Project/Grant	Parent Grantor Share
Project/Grant	SM320220000
Fund	0491
Organization	2110
Program	0001
Amount	\$560,000

; and, be it

Further Resolved, That these funds are appropriated to the Department of Public Works, which is authorized to expend from the amount budgeted for specific purposes as indicated in the grant budgets and incur costs consistent with the award date; and, be it

Further Resolved, That the Commissioner of Public Works shall have the authority to authorize transfers within the project budget so long as the amount expended for any purpose shall not exceed the amount authorized by the budget by 10% and such transfers are in accordance with grantor regulations; and, be it

Further Resolved, That the Commissioner of Public Works, on behalf of the City of Milwaukee, is authorized to enter into subcontracts (and leases) as detailed in the project budget and in accordance with City purchasing procedures and grant and aid guidelines for awarding such contracts.
