Substitute 1
THE CHAIR

Substitute resolution determining it necessary to make various nonassessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be \$15,000 for a total estimated cost of these projects being \$415,000.

This resolution authorizes engineering studies on projects which by City Charter are nonassessable. After design plans and estimates of costs have been prepared, a resolution authorizing construction will be submitted to the Common Council. The City cost for engineering these projects is estimated to be \$15,000 with the total cost estimated to be \$415,000.

Resolved, By the Common Council of the City of Milwaukee, that it is necessary and in the public interest to do the following described improvements according to City specifications:

6th Aldermanic District

PCB REMOVAL - 4132 N. Holton St. (SM495220014) Sanitary sewer PCB removal. (Nonassessable Sewer Maintenance Relay Fund - \$5,000). The total estimated cost of this project including the requested amount is \$400,000. This project is anticipated to be completed during the 2022 construction season.

City Wide
