Title: Resolution approving a change order to purchase order B122182 with A&A Plumbing of Milwaukee, LLC (Milwaukee, WI) for the annual plumbing maintenance and emergency after-hour services at various HACM housing developments

The original contract amount for \$250,000.00 was based on the not-to-exceed estimated award amounts from the past two years and did not require Board approval. A shortage of staff has led to more calls for annual plumbing maintenance and after-hour service calls resulting in a cumulative change order amount of \$250,000, making the new purchase order amount not-to-exceed \$500,000. This now exceeds the \$250,000.00 threshold requiring Board approval.
