THE CHAIR

Resolution approving an Intergovernmental Cooperation Agreement between the City of Milwaukee and the Milwaukee Metropolitan Sewerage District regarding maintenance of WaterMark art installations developed by City as Living Laboratory in the 1st, 7th, and 12th Aldermanic Districts. This resolution approves the execution of an Intergovernmental Cooperation Agreement between the City of Milwaukee and the Milwaukee Metropolitan Sewerage District regarding the maintenance of WaterMark art installations developed by City as Living Laboratory.

Whereas, City as Living Laboratory (“CALL”) is a nonprofit organization working with artists, scientists, and residents of urban communities to create sustainable solutions for environmental issues; and

Whereas, in 2017, CALL developed *WaterMarks: An Atlas of Water for the City of Milwaukee* initiative to engage residents via artistic installations throughout Milwaukee communities in conceptualizing their role in water systems and infrastructure; and

Whereas, CALL’s initiative also promotes the Milwaukee Metropolitan Sewerage District’s (“MMSD”) goals of providing water reclamation and flood management services in the City; and

Whereas, the City of Milwaukee (“City”) Department of City Development separately agreed to fund

the design and installation costs for four WaterMarkers along East Greenfield Avenue through funds from Tax Incremental Financing District No. 96, approved by Common Council Resolution No. 181254; and

Whereas, the City, through its Department of Public Works ("DPW"), and MMSD desire to participate collaboratively in the WaterMarks initiative and monitor and maintain the art installations on each parties' respective property; now therefore, be it

Resolved, That the Intergovernmental Cooperation Agreement ("ICA") between the City and MMSD regarding each parties' obligations of monitoring and maintaining the WaterMark art installations developed by CALL is approved; and, be it

Further Resolved, That the Commissioner of DPW, or his designee, is hereby authorized to execute the ICA attached to this Common Council File and take other reasonable steps necessary to execute said ICA.
