This ordinance revises Chapter 36 of the Milwaukee City Charter to close the Employees' Retirement System to new members after December 31, 2023, and to comply with other provisions of 2023 Wisconsin Act 12.

Whereas, 2023 Wisconsin Act 12 was enacted on June 20, 2023; and

Whereas, 2023 Wisconsin Act 12 imposes changes upon the retirement systems of 1st class cities that adopt a sales and use tax ordinance under s. 77.701(1), Wis. Stats.; and

Whereas, The City of Milwaukee adopted a sales and use tax ordinance under s. 77.701(1), Wis. Stats., on July 11, 2023; and

Whereas, Chapter 36 of the Milwaukee City Charter must be amended to conform to the various requirements of 2023 Wisconsin Act 12, including closing the Employees' Retirement System to new members after December 31, 2023; now, therefore

Stats., the actuary shall, consistent with actuarial standards of practice, set the actuarial contribution rate at a percentage sufficient to fund the entire amount of the employers' share of the normal cost, to amortize any unfunded past service liability and to maintain the solvency of the combined fund to meet benefit obligations for retired lives.

Part 8. Section 36-13-2-i of the charter is created to read:

Part 9. Section 36-14 of the charter is repealed and recreated to read:

36-14. Home Rule. For the purpose of giving to cities of the first class the largest measure of self-government with respect to pension, annuity, and retirement systems compatible with the constitution and general law, it is hereby declared to be the legislative policy that all future amendments and alterations to this act are matters of local affair and government and shall not be construed as an enactment of statewide concern. Cities of the first class are hereby empowered to amend or alter the provisions of this act in the manner prescribed by s. 66.0101, Wis. Stats., provided that no such amendment or alteration shall modify the annuities, benefits, or other rights of any persons who are members of the system prior to the effective date of such amendment or alteration. In a city of the first class in a county with a population of at least 750,000 that has established a retirement system pursuant to 2023 Wisconsin Act 12, the city and board shall continue to amend, create, and repeal ordinances and rules, administer benefits, discharge their duties with respect to the retirement system, and take any other actions necessary to administer the system and maintain the qualified tax status of the system under the federal Internal Revenue Code until the plan is terminated under section 16A of this act. The city and board may not make any of the following changes to the retirement system for employees who remain in the retirement system:

- a. Except as required for compliance with federal law, increase or enhance the retirement benefit.
- b. For policemen, any changes to the system that are contrary to the agreement between the City of Milwaukee and the Milwaukee Police Association, Local #21, I.U.P.A., AFL-CIO effective January 1, 2020 through December 31, 2022.

c. For policemen who are supervisors, any changes to the system that are contrary to the agreement between the City of Milwaukee and the Milwaukee Police Supervisors' Organization effective January 1, 2022 through December 31, 2022.

d. For firemen, any changes to the system that are contrary to the agreement between the City of Milwaukee and the Milwaukee Professional Fire Fighters' Association Local #215 IAFF, AFL-CIO effective January 1, 2021 through December 31, 2022.

e. Any changes to the system that are contrary to any benefits or payments as defined in Chapters 34 and 36 of the City of Milwaukee City Charter.

Part 10. Section 36-15-15 of the charter is repealed and recreated to read:

36-15. Administration.

15. ANNUAL VALUATION. a. On the basis of such tables as the board shall adopt, the actuary shall make an annual valuation of the assets and liabilities of the funds of the retirement system. This annual valuation shall, unless otherwise required by s. 62.625, Wis. Stats., comply with Actuarial Standards of Practice and shall contain a certification from the board's actuary to that effect. For the purposes of the annual valuation, the actuary shall employ the individual entry-age normal actuarial cost method.

b. Beginning with the valuation that determines employer contributions due and payable January 31, 2011, the actuary shall employ a 5-year asset smoothing period. The actuary shall calculate amortization of unfunded liability based on a level dollar amortization. Notwithstanding any other provision of this chapter, the outstanding balance of the unfunded actuarial accrued liability as of January 1, 2024, shall be amortized over a closed 30-year period using an annual investment return assumption that is the same as or less than the annual investment return assumption used by the Wisconsin Retirement System for participating employees, as defined in s. 40.02(46), Wis. Stats. At each subsequent valuation date, any changes to the unfunded actuarial accrued liability shall be amortized using a closed layered amortization method. Any such changes resulting in an increase of the liability shall be amortized over a fixed period not to exceed 10 years. Any such changes resulting in a decrease of the liability shall be amortized over either a fixed 10-year period or the remainder of the 30-year period beginning on January 1, 2024, whichever is longer. Beginning with the valuation that determines employer contributions due and payable January 31, 2011, the board shall provide a copy of the final annual valuation, as certified by the board, to the mayor and the common council no later than August 15. Unless otherwise required by s. 62.625, Wis. Stats., no changes shall be made to this paragraph without an affirmative vote of the board of at least 5 of its members, and written certification from the board's actuary that such changes comply with Actuarial Standards of Practice.

Part 11. This is a charter ordinance and shall take effect 60 days after its passage and publication, unless within such 60 days a referendum petition is filed as provided in s. 66.0101(5), Wis. Stats., in which event this ordinance shall not take effect until submitted to a referendum and approved by a majority of the electors voting thereon.
