Substitute resolution authorizing the Commissioners of the Public Debt to market up to \$38,000,000 of general obligation corporate purpose bonds of the City for school purposes.

This resolution authorizes the Commissioners of the Public Debt to issue and sell City of Milwaukee general obligation school bonds in the amount of \$38,000,000 for various school construction projects.

Whereas, Common Council file number 090814 authorized the issuance of up to \$57,000,000 of general obligation bonds as tax credit qualified school construction bonds in order to finance up to \$48,000,000 of projects, and \$12,000,000 of bonds have been issued pursuant to that resolution in order to finance \$11,300,000 of projects; and

Whereas, Qualified school construction bonds may now be issued as taxable bonds with a direct payment from the US Government for the interest paid on the bonds, and the City desires to permit the issuance of the remaining qualified school construction bonds with the potentially more advantageous direct payment structure; and

Whereas The Milwaukee Public Schools has requested the issuance of the remaining qualified school

construction bonds as taxable bonds with the direct payment structure; and

Whereas, Common Council file number 090555 adopted on October 13, 2009 (the “Resolution 090555”) authorizes the issuance of general obligation bonds for school purposes in the amount of \$48,000,000, of which \$12,000,000 has been issued; and

Whereas, Common Council file number 091323 adopted on March 2, 2010 (“Resolution 091323”, and with Resolution 090555, the “Initial Resolutions”) authorizes the issuance of general obligation bonds for school purposes in the amount of \$14,360,000, of which \$11,020,000, has been issued; and

Whereas, The 2009 Budget of the City authorizes \$130,000,000 of Contingent Borrowing for purposes not anticipated in the budget of the City, of which \$35,893,717 has been issued, and \$45,000,000 has been carried over into 2010 for School Purposes; and

Whereas The Common Council, pursuant to the Initial Resolutions (\$36,000,000 from Resolution 090555, and \$2,000,000 from Resolution 091323), desires to issue up to \$38,000,000 of general obligation bonds for school purposes (the “Bonds”) using the \$38,000,000 of the \$45,000,000 of 2009 Contingent Borrowing Authority; and

Whereas, It is desirable to enter into a fiscal agency agreement in connection with the issuance and administration of the Bonds; and

Whereas, All or a portion of the Bonds may be designated by the City as “qualified school construction bonds” as defined in Section 54F of the Internal Revenue Code of 1986 (the “Code”); and

Whereas, The City and Milwaukee Public School (“MPS”) have entered into an intergovernmental agreement (the “IGA”) pursuant to Resolution 090777 for the reimbursement to the City by MPS for the debt service on the Bonds; and

Whereas, The IGA provides that proceeds of the Bonds shall be used for only for projects as may be approved from time to time by the City, and it is desirable to amend the IGA to take into account specific characteristics of bonds issued pursuant to this resolution; now, therefore, be it
