THE CHAIR

Resolution authorizing the Commissioner of Public Works and Comptroller to execute two State/Municipal Agreements with the Wisconsin Department of Transportation for roadway and traffic signal improvements and to fund preliminary engineering for these two projects in the 7th and 15th Aldermanic Districts with a total estimated cost of \$116,000, with an estimated grantor share of \$38,700, and an estimated City share of \$77,300. This resolution authorizes the Commissioner of Public Works and Comptroller to execute two State/Municipal Agreements with the Wisconsin Department of Transportation for the programming and construction of roadway and traffic signal improvements using Highway Safety Improvement Program funds for projects in the 7th and 15th Aldermanic Districts. The total estimated cost of both projects is \$408,000 with a grantor share of \$301,500, and a City share of \$106,500. The total estimated preliminary engineering cost for both projects is \$116,000, with a grantor share of \$38,700 and a City share of \$77,300. Approval of construction costs will be in a future resolution.

Whereas, The submittal of a Highway Safety Improvement Program (HSIP) grant application for North Sherman Boulevard (4 intersections) to the Wisconsin Department of Transportation (WISDOT) was approved by the Common Council under File Number 080404; and

Whereas, Safety improvements at four intersections on North Sherman Boulevard were identified by the American Automobile Association under a Roadway Improvement Demonstration Project study; and

Whereas, The original HSIP grant application was split into two projects because the intersection of West Fond du Lac Avenue and North Sherman Boulevard is on the Connecting Highway System; and

Whereas, Median improvements will be made at the intersections of North Sherman Boulevard at West Lloyd Street, West Lisbon Avenue, West Center Street, and West Fond du Lac Avenue to reduce the number of crashes involving left-turning vehicles; and

Whereas, Traffic signal improvements will be made to reduce the number of right-angle, rear-end, and pedestrian-related crashes; and

Whereas, Preliminary approval has been requested and received from WISDOT, along with two State/Municipal Agreements to be executed by the City of Milwaukee, for the programming and construction of two projects under the 2011 HSIP; and

Whereas, WISDOT has submitted two State/Municipal Agreements for execution by the City of Milwaukee for the design and construction of:

Project I.D. 2155-03-00/70/90
North Sherman Boulevard (3 intersections)
West Lloyd Street, West Lisbon Avenue, & West Center Street
Milwaukee County

Project I.D. 2155-03-01/71/91
West Fond du Lac Avenue (STH 145) and
North Sherman Boulevard
Milwaukee County

; and

Whereas, Additional Department of Public Works funding of \$73,000 will be needed to complete the preliminary engineering for the two projects that was not anticipated at the time of the application; and

Whereas, The State cannot proceed with any project cost overruns and/or changes in scope of more than 5% without prior Department of Public Works approval; and

Whereas, The Department of Public Works shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns and/or changes in scope approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100% liable for any such project cost overruns and/or changes in scope as approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any costs incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of Public Works and the Comptroller are authorized to execute two State/Municipal Agreements for the programming and the design/construction of aforementioned projects with Highway Safety Improvement Program funds, copies of

which are attached to and incorporated in this resolution by reference as though set forth in full; and, be it

Further Resolved, That the proper City of Milwaukee official is hereby directed to undertake preliminary engineering for the above-mentioned projects and to reimburse WISDOT for preliminary engineering costs they incur for the improvements; and, be it

Further Resolved, That Department of Public Works shall request in a future resolution funding for the construction phases of the two projects, and, be it

Further Resolved, That the City Comptroller is hereby authorized to create within the Capital Improvement Fund, Grant and Aid Projects, the necessary Project/Grant Chartfield Values for preliminary engineering for the project (expenditure) and transfer to any of these accounts the amount required under this grant agreement and City Accounting policy, but not to exceed a 10 percent increase of the total amounts reserved for the grantor's share or \$5,000, whichever is greater as follows:
