THE CHAIR

Resolution directing the Commissioner of Public Works to submit a project application with the Wisconsin Department of Transportation for funding for local street improvements under the Local Roads Improvement Program.

Whereas, State Statute 86.31 establishes a Local Roads Improvement Program (LRIP) to provide up to 50 percent reimbursement by the State of eligible costs for local street improvements; and

Whereas, Section 86.31 provides entitlement for county trunk highway, town road and city and village street improvements; and

Whereas, In accordance with TRANS 206, the administrative rule relating to the LRIP Program, a project application to the WisDOT is necessary to apply for the City of Milwaukee's entitlement; and

Whereas, The Common Council needs to authorize the application prior to the November 1, 2011 deadline; and

Whereas, The local street improvement projects attached are potential projects which are anticipated

for funding under the LRIP Program, however, the actual projects will be approved through future Common Council actions; and

Whereas, Funds for projects to be undertaken under the LRIP Program are budgeted in the Street Improvement - State and/or Federal Aid Program Fund in the proposed 2012 Capital Improvement Program (Fund 0333 and Fund 0330); now, therefore, be it

Resolved, Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works is directed to submit a project application with the WisDOT for funding for local street improvements under the LRIP Program, a copy of which is attached to Common Council Resolution File No. 110842, and is incorporated into this resolution as though set forth in full.
