This ordinance moves certain licensing provisions of general applicability from a chapter that primarily pertains to specific miscellaneous license types (e.g., extended hours establishments and bill-posting businesses) to the chapter of the code that sets forth licensing and permitting procedures that apply to all licenses and permits issued by the city clerk unless specific procedures are provided elsewhere in the code.

This ordinance also creates an additional provision of general applicability, namely, that an application for renewal of a permit or license issued by the city clerk shall be filed on or before a date to be established by the city clerk. Any person who fails to meet an application filing deadline established by the city clerk shall pay a late application fee. In conjunction with creation of this provision, the ordinance repeals a number of late-application fees that were specific to certain license types.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 81-1-4.5 of the code is created to read:

81-1. General Provisions.

4.5. FILING OF RENEWAL APPLICATION. An application for renewal of a permit or license issued by the city clerk shall be filed on or before a date to be established by the city clerk. Any person who fails to meet an application filing deadline established by the city clerk shall pay the late filing fee provided in sub. 5.

Part 2. Sections 81-9-4, 81-51-5, 81-104.6-4 and 81-131-3 of the code are repealed.
