Resolution relating to the sale of electric vehicle recharging services.

This resolution directs the Office of the Comptroller to create a separate revenue account to receive proceeds from the sale of electric vehicle recharging services to the public by the Department of Public Works.

Whereas, The Department of Public Works is authorized to sell electric vehicle recharging services to the public under s. 309-22 of the Code; and

Whereas, Sound accounting and budget management practices recommend new revenue sources be accepted into separate revenue accounts rather than received as miscellaneous revenues; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Office of the Comptroller is directed to create a separate revenue account to receive proceeds from the sale of electric vehicle recharging services to the public by the Department of Public Works.
