SUBSTITUTE 1

THE CHAIR

Substitute resolution relative to funding the City of Milwaukee's share of the construction cost of a storm water detention pond in the Village of Brown Deer.

- Analysis -

This substitute resolution authorizes the Department of Public Works to fund the City of Milwaukee's share of the construction cost of a storm water runoff detention pond in the Village of Brown Deer. The detention pond will serve to reduce flooding in the City of Milwaukee.

Whereas, Residents of the City of Milwaukee in the area west of North 51st Street and south of West Calumet Road have experience flooding due to storm water runoff from the Village of Brown Deer area located east of North 51st Street and south of West Calumet Road; and

Whereas, A storm water detention pond in the Village of Brown Deer would serve to reduce flooding into the City of Milwaukee; and

Whereas, The Village of Brown Deer has an agreement with the owner of the site to allow the construction of the detention pond; and

Whereas, The City of Milwaukee has provided the engineering, plan preparation and soil borings for the detention pond project; and

Whereas, The cost estimate by the contractor is approximately \$44,000; and

Whereas, The Village of Brown Deer Common Council has resolved to fund their share of the construction cost (\$22,000) of the said detention pond; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the proper City officials are hereby authorized to fund the City of Milwaukee's share (\$22,000) of the detention pond construction cost from the Sewer Maintenance Fund Account No. 0490-6831.
