### THE CHAIR

Resolution authorizing the Commissioner of Public Works to issue an excavation permit on pavement less than three years old in West Washington Street at a point approximately 140 feet east of South 4th Street for the purpose of installing a water lateral.

---

- ANALYSIS -

This resolution authorizes the Commissioner of Public Works to issue an excavation permit on pavement that is less than three years old.

---

Whereas, The water lateral that serves 321 West Washington Street is leaking and must be replaced with a new lateral, and

Whereas, An open cut method of installation is required; and

Whereas, This open cut will affect pavement less than three years old and subject to a pavement guarantee; and

Whereas, The owner of the property desires to install the water lateral prior to the expiration of the pavement guarantee to avoid excessively high water bills; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of Public Works is hereby authorized and directed to issue an excavation permit to allow the installation of a water lateral in guaranteed pavement on West Washington Street; and, be it

Further Resolved, That the pavement restoration of the affected street shall be accomplished in accordance with the specifications and restrictions established by the Department of Public Works of the City of Milwaukee.
