THE CHAIR

Resolution authorizing and directing the proper City officers to prepare plans and let contracts for the installation of building sewers and water services where required. (Infrastructure Services Division)

This resolution authorizes the Commissioner of Public Works to let contracts for building sewers and water services for 2004.

Whereas, Pursuant to the provisions of Sections 12.14 to 12.20 of the City Charter pertaining to work prior to the improvements of streets and for projects funded by other city departments, the Commissioner of Public Works is required to install, or cause to be installed building sewers and water services in the City of Milwaukee; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the proper city officers are hereby authorized and directed to prepare plans and let contracts to the lowest responsible bidder, according to law, for the installation of building sewers and water services, where required, and assess the charges, therefore, against the abutting property by law on all streets approved by the Common Council for improvements in 2004.
