031015
SUBSTITUTE 2

ALD. DUDZIK AND WADE

A substitute ordinance requiring the permittee for an excavation in the public way to prominently display an informational sign at a construction site in the public way.

115-8-8 cr

This ordinance requires that the permittee for an excavation in the public way prominently display an informational sign at a construction site in the public way, prior to the start of construction until the construction is completed. The sign will provide the nature of the construction; the contractor's name and phone number, and a city of Milwaukee contact phone number.

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 115-8-8 of the code is created to read:

115-8. Excavating Methods and Regulations.

8. SIGNAGE. The permittee shall be required, prior to the start of construction until construction is completed, to prominently display an informational sign at a construction site in the public way. The sign will provide the nature of the construction; the contractor's name and phone number, and a city of Milwaukee contact phone number. Signage shall conform to and be placed in accordance with the current rules and specification on file in the office of the commissioner.
