SUBSTITUTE

THE CHAIR

Substitute resolution to grant a special privilege to Patton Funeral Services, LLC to keep, use and maintain a covered walk and excess door swing, encroaching within the public right-of-way on the west side of North Teutonia Avenue at 2535 North Teutonia Avenue at the building entrance, in the 15th Aldermanic District in the City of Milwaukee.

This special privilege grants Patton Funeral Services, LLC permission to keep, use and maintain a covered walk encroaching into the public right-of-way on the west side of North Teutonia Avenue abutting the premises at 2535 North Teutonia Avenue. It also allows an existing door, which has an excess swing to continue to do so. Whereas, The applicant desires to have a covered walk at 2535 North Teutonia Avenue, which extends into the public right-of-way on the west side of North Teutonia Avenue; and

Whereas, The vertical clearance provided by the present structure is less than is required by Common Council Resolution File Number 62-1211-a, being a policy resolution regarding covered walk structures; and

Whereas, Said subnormal clearance can be allowed to remain until its conditions or other factors dictate that it is to be replaced and then only by a covering that provides at least 8 feet of vertical clearance; and

Whereas, Our field investigation also revealed there is one externally swinging door that has an excess encroachment; and

Whereas, Said covered walk and excess door swing encroachments may only legally occupy the public right-of-way by the granting of a special privilege resolution by the Common Council; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that Patton Funeral Services, LLC, 2535 North Teutonia Avenue, Milwaukee, WI 53206 is hereby granted the following special privileges:

The grantee will be required to keep a "Loading Zone" or have a "No Parking" status adjacent to the covered walk as long as the covered walk occupies the public right-of-way.

Permits shall be obtained from the Departments of Public Works, and City Development for the covered walk structure itself and from the Department of Public Works to occupy the right-of-way, as necessary.
