Whereas, Both of the Intergovernmental Agreements for SROs were extended under the same terms and conditions to cover the first semester of the 2007 - 2008 school year; and

Whereas, Both parties consider the program to be a success based on feedback from community-based organizations, the SRO Pilot Program Focus Committee, and principals, students and staff

whose schools were served by the program; and

Whereas, Because of the success of the program, the parties want to enter into this Agreement, which covers the second semester of the 2007 - 2008 school year and the first semester of the 2008 - 2009 school year; and

Whereas, Under this Agreement the number of SROs assigned to work under the School Security Program shall increase from 4 to 10, with 2 SROs placed at each of the 5 following schools:

Lynde and Harry Bradley Technology and Trade School  
Custer High School/Lady Pitts

Whereas, This Agreement shall terminate at the end of the last regularly scheduled school day of the first semester of the 2008 - 2009 school year; however, this Agreement may be terminated by either party for convenience upon 90 days notice in writing to the other party; now, therefore, be it
