THE CHAIR

Resolution authorizing the Commissioner of Public Works to issue an excavation permit on pavement less than three years old in North 10th Street between West Highland Avenue and West State Street. (DPW)

- ANALYSIS - This resolution authorizes the Commissioner of Public Works to issue an excavation permit on pavement less than three years old.

Whereas, The State of Wisconsin is constructing a new parole and probation facility on the west side of North 10th Street between West State Street and West Highland Avenue; and

Whereas, The Wisconsin Electric Power Company has been requested to provide steam service to this new facility; and

Whereas, The nearest existing steam line is located in West State Street; and

Whereas, In order to provide steam service to the new facility, a new steam line must be installed in North 10th Street for a distance of approximately 220 feet north of West State; and

Whereas, Installation of the new steam line will require an open cut in the North 10th Street pavement; and

Whereas, This open cut will affect pavement that is less than three years old and subject to a pavement guarantee; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of Public Works is hereby authorized and directed to issue an excavation permit to allow the installation of steam line in guaranteed pavement on North 10th Street; and, be it

Further Resolved, That the pavement restoration of the affected street shall be accomplished in accordance with the specifications and restrictions established by the Department of Public Works of the City of Milwaukee.
