The priority plan examination fee for a fire detection and suppression system, other than a sprinkler system, shall be computed at 1% of the cost of construction in contrast to the 0.5% rate used for a non-priority review.

In addition, this ordinance establishes a fee of \$75 per hour for code consultation regarding the Uniform Dwelling Code, and a fee of \$150 per hour for code consultation regarding the Wisconsin Enrolled Commercial Building Code or the Wisconsin Plumbing Code.
