Resolution approving a Redevelopment Plan for the Park West "E" Redevelopment Project Area in the 7th Aldermanic District. (Redevelopment Authority)

Adoption of this resolution by at least two-thirds vote of the Common Council will approve the Redevelopment Plan for the above-identified project area. Such approval is a prerequisite for exercising the powers granted to the Redevelopment Authority under Wisconsin law for certification and implementation of the Plan following adoption of this resolution.

Whereas, In File No. 001787 adopted on May 8, 2001, the Common Council of the City of Milwaukee ("Council") requested the Redevelopment Authority of the City of Milwaukee ("Authority") to prepare a Redevelopment Plan ("Plan") for the Park West "E" Redevelopment Project Area; and

Whereas, The Authority prepared a Plan, gave proper notice to the property owners within the Project Area, and conducted a Public Hearing on the Plan on May 17, 2001, pursuant to Wisconsin Statutes; and

Whereas, After the Public Hearing, the Authority approved the Plan and requested approval by the Council; and

Whereas, The City Plan Commission of the City of Milwaukee reviewed the Plan and determined that it conforms to the general plan of the City of Milwaukee ("City") and to local objectives as to appropriate land uses, improved traffic, public transportation, public utilities, recreational and community facilities, and other public improvements in the Project Area as provided in Subsections 66.1333(6)(b)2. and 66.1333(6)(c), Wisconsin Statutes, as amended; and

Whereas, Funding for the Plan is being provided by Tax Incremental District No. 43 (21st & North Retail Center); and

Whereas, The Plan prescribes certain land uses for the Project Area that may require, among other things, the vacation and removal of certain streets or other public ways, the provision of public works and facilities, the location and relocation of sewer and water mains and other public and private utilities and facilities and any other public actions deemed necessary to carry out the Plan; and

Whereas, The Council is cognizant of the conditions imposed in the undertaking and carrying out of redevelopment projects under Wisconsin law including those pertaining to financial assistance, relocation, new construction, and disposition; and

Whereas, Where clearance and redevelopment is proposed, Wisconsin law requires Council approval of a Relocation Plan assuring that decent, safe, and sanitary dwellings substantially equal in number to the number of substandard dwellings to be removed in carrying out the Plan are available or will be provided at rents or prices within the financial reach of the income groups displaced; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Redevelopment Plan for

3. Financial assistance under Subsections 66.1333(5)(4) and 66.1333(6)(f), Wisconsin Statutes, as amended, in the amount(s) necessary to enable the land in the Project Area to be renewed in accordance with the approved Plan shall be provided to the Authority as authorized by future resolution(s) to be adopted by the Council.
4. Where clearance is proposed, the objectives of the Plan cannot be achieved through rehabilitation or conservation; and, be it
