THE CHAIR
Resolution to increase funding on previously approved nonassessable public improvement sewer projects. (Infrastructure Services Div.)
- ANALYSIS -

In 1997, the Common Council approved funding and construction for a nonassessable public improvement sewer project. Additional funds are necessary to construct a pile foundation system to support the s ewer due to poor soil condition. This resolution increases funding for the sewer project so that the work may be undertaken.

Whereas, The Common Council of the City of Milwaukee on January 17, 1997 adopted File Number 961348 approving the authorized funding for a nonassessable sewer project, and

Whereas, This funding resolution is still valid and provide necessary partial funding authorization for this sewer project, and

Whereas, Soil boring tests indicate the need to implement a pile foundation system to support the sewer; and

Whereas, Additional funds must be authorized to undertake the following improvement:

8th and 11th Aldermanic Districts

W. Oklahoma Ave. - S. 28th St. to W. Forest Home Ave. (854-0022-8) File Number 912398: Relay combined sewer. (Nonassessable Relief and Relay Sewer Fund 31-549---171-0001 -- $74,000)

;now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of Public Works is authorized and directed to proceed with said work; and, be it

Further Resolved, That the City Comptroller is authorized and directed to transfer such funds which are available for this purpose to the appropriate capital purpose subaccounts.
