This substitute resolution approves the transfer and expenditure of \$75,500 for the Atkinson/Capitol/Teutonia Commercial District Street Enhancement Project. The street enhancement improvements will include Phase II commercial district amenities such as extensive landscaping, commercial district signage, specialty paving and other commercial district identification enhancements.

Whereas, BID No. 29 has worked collaboratively with area business owners to market and promote the commercial district; and

Whereas, The proposed public way improvements will include extensive landscaping, commercial district signage, specialty paving and other commercial district identification enhancements that will greatly enhance the Atkinson/Capitol/Teutonia Commercial District; and

Whereas, The State of Wisconsin Department of Transportation ("WISDOT") has identified project funds, which exceed the amount of City funds for this project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the proper City officials are directed to transfer \$75,500 from the Neighborhood Commercial District Street Improvement Fund Account No. ST04084500 to the appropriate borrowing and expenditure accounts; and, be it

Further Resolved, That the City Comptroller, in conjunction with the Commissioner of the Department of City Development, is directed to establish any and all subaccounts and follow the City guidelines necessary to maintain the fiscal control to carry out the intent and purpose of this resolution; and, be it

Further Resolved, That all City officials, departments, boards and commissions are directed to assist and cooperate with said project.
