This ordinance defines the term "short-term loan establishment" for zoning purposes. Specifically, a short-term loan establishment is defined as an establishment engaged in the business of providing personal loans of up to \$1,000 that have terms of one year or less and are customarily repaid through wage assignments, post-dated checks or automatic checking account withdrawals. This term includes, but is not limited to, a payday loan establishment or installment loan establishment. Since the new term includes payday loan establishments, this ordinance also repeals the existing definition of "payday loan agency" and replaces that term with the new term throughout the zoning code. The Mayor and Common Council of the City of Milwaukee do ordain as follows:
