Currently, certain businesses wishing to temporarily deviate from their plans of operation may be required to obtain any combination of the following: a temporary deviation (alcohol licenses, ch. 90 of the code of ordinances), a temporary extension (food or alcohol licenses, chs. 68 and 90), or a temporary public entertainment premises permit (ch. 108).

This ordinance consolidates current code provisions relating to temporary changes to plans of operation and creates a temporary change of plan permit to allow any business to obtain one permit instead of multiple permits or licenses when making temporary changes to its plan of operation. The fee for the new temporary change of plan permit is \$50, the same fee required previously for temporary extensions of alcohol beverage license premises for special events.

Finally, this ordinance consolidates and standardizes language relating to changes to applications and permanent changes to plans of operation.
