A substitute ordinance relating to the monthly health benefit payments of surviving spouses of city employees who died in the line of duty.

350-30-7-a-7 ra

Currently, surviving spouses of city employees who died in the line of duty prior to January 1, 1985, must pay 75% of the monthly health benefit premium. Surviving spouses of city employees who died in the line of duty on or after January 1, 1985, pay no premium up to age 65, and thereafter, pay 75% of the premium for health benefits.

Under this ordinance, effective June 1, 2017, the city will pay 100% of the health benefit cost for surviving spouses of city employees who died in the line of duty until the spouses become 65 years old.
