now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of Public Works is authorized and directed to proceed with said work; and, be it

Further Resolved, That the Department of Public Works is authorized to use the funding as specified in the above description of work; and, be it

Further Resolved, That the City Engineer and the Commissioner of Public Works are hereby authorized to negotiate and enter into an agreement with the State of Wisconsin, Department of Transportation for the City to undertake construction management duties on the following project: E./W. Wells St. (ST320120401); and, be it

Further Resolved, That the City Engineer is authorized to approve and make periodic payments to

the State of Wisconsin, Department of Transportation after receipt of invoices from said State for the city's share of the costs for said project: E./W. Wells St. (ST320120401); and, be it

Further Resolved, That upon the completion of project: E./W. Wells St. (ST320120401) and a determination of the actual costs, it is understood that if the City of Milwaukee's share is less than the amount previously paid, the difference will be refunded to said City; and, be it

Further Resolved, That the City Comptroller is authorized to transfer such funds which are available for this purpose to the appropriate capital Project/Grant accounts.
