Resolution determining it necessary to make nonassessable public water improvements and appropriating funds for this purpose with the City engineering cost estimated to be \$30,000 for a total estimated cost of this project being \$400,000.

This resolution authorizes engineering studies on projects which by City Charter are nonassessable. After design plans and estimates of costs have been prepared, a resolution authorizing construction will be submitted to the Common Council. The City cost for engineering these projects is estimated to be \$30,000 with the total cost estimated to be \$400,000.

Resolved, By the Common Council of the City of Milwaukee, that it is necessary and in the public interest to do the following described improvement according to City specifications:

1st Aldermanic District

N. 22nd St. - W. Congress St. to W. Ruby Ave. (WT410200688) Water Main Relay. (Nonassessable Water Fund Budget Line 5010 -- \$2,000; Nonassessable Water Fund Budget Line 6410 -- \$28,000). The total estimated cost of this project including the requested amount is \$400,000. This project is anticipated to be completed during the 2019 construction season.

;and, be it

Further Resolved, That all City Departments are authorized to perform engineering, surveys, plan preparation, and determine an estimated cost thereof; and, be it

Further Resolved, That the Department of Public Works is authorized to use the funding as specified in the above description of work; and, be it

Further Resolved, That the City Comptroller is authorized to transfer such funds which are available for this purpose to the appropriate capital Project/Grant accounts.
