Resolution establishing a City of Milwaukee IT Security Plan.

This resolution establishes a City of Milwaukee IT Security Plan. This plan provides a catalog of security policies to protect the confidentiality, integrity and availability of the City of Milwaukee's information.

Whereas, The City Information Management Committee is responsible for policy and management of the City's information resources; and

Whereas, The City is committed to complying with applicable state law and other rules and regulations regarding the management of information resources; and

Whereas, The Information Security Plan was designed with the intention of providing managers, administrators, and other City employees with basic security strategies to be used in achieving an acceptable level of information security; and

Whereas, This document follows the recommended baseline security controls as outlined by The National Institute of Standards and Technology in the NIST 800-53, R4 Special Publication for the protection of government systems; and

Whereas, These standards have been widely adopted and are endorsed by the federal government, as they encompass security best practices; and

Whereas, Following NIST's cybersecurity framework, this plan establishes a guideline for the development and eventual implementation of a formalized City of Milwaukee Information Security Program to include Policies, Standards and Procedures; and

Whereas, The policies in this plan apply to all City of Milwaukee data, systems, activities, and assets owned, leased, controlled, or used by City of Milwaukee personnel, its agents, contractors, or other business partners on behalf of the City of Milwaukee; and

Whereas, The City Information Management Committee has prepared a City of Milwaukee Information Security Plan, which was approved by the committee; and

Whereas, Through this plan, the City will establish a catalog of security policies to protect the confidentiality, integrity and availability of the City of Milwaukee's information; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that a City of Milwaukee Information Security Plan, a copy of which is attached to this file, is adopted as City policy.
