Substitute 1

THE CHAIR

Substitute resolution determining it necessary to make various assessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be \$82,000 for a total estimated cost of these projects being \$1,401,000.

This resolution authorizes engineering studies and directs the Commissioner of Public Works to determine any benefits or damages which would result if the projects were to be constructed. After the Commissioner files his report, a Public Hearing will be held on those projects determined assessable. A resolution will be submitted after the Public Hearing authorizing construction. The City cost for engineering these projects is estimated to be \$82,000 with the total cost estimated to be \$1,401,000.

Resolved, By the Common Council of the City of Milwaukee that it is necessary and in the public interest to do the following described work according to City specifications, and that such public improvements and resulting special assessments be made pursuant to Section 66.0703 and any other pertinent sections of the Wisconsin Statutes and in the manner directed by Section 115-42 of the Milwaukee Code of Ordinances:

### 4th Aldermanic District

Merrill Park at 2827 W. Clybourn St. (SM499210019) Installing bioswales. (Nonassessable Sewer Maintenance Relay Fund - \$1,000). The total estimated cost of this project including the requested amount is \$16,000. This project is anticipated to be completed during the 2021 construction season.

### 6th Aldermanic District
