ALD. LEWIS

Substitute resolution authorizing the Commissioner of Health to execute a Memorandum of Understanding with iCare Independent Care Health Plan relating to billing of services.

This resolution authorizes the Commissioner of Health to execute a Memorandum of Understanding between the Health Department and iCare Independent Care Health Plan relating to billing of services.

Whereas, iCare Independent Care Health Plan (iCare) manages the overall health care of persons receiving benefits through Wisconsin Medicaid and BadgerCare Plus, and administers these benefits; and

Whereas, Wisconsin Medicaid and BadgerCare Plus require a memorandum of understanding (MOU) between the Milwaukee Health Department (MHD) and Trilogy recognizing that MHD and iCare have clients in common and agree to cooperate in removing access barriers, coordinating care and providing culturally-competent services; and

Whereas, The intent of this MOU is to authorize MHD to provide health care services to persons receiving benefits through Wisconsin Medicaid and BadgerCare Plus, and to qualify MHD for reimbursements for Covered Services provided to persons receiving benefits through Wisconsin Medicaid and BadgerCare Plus; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Health is authorized to execute the Memorandum of Understanding between the Health Department and iCare Independent Care Health Plan, a copy of which is attached to this file.
