This ordinance specifies that the owner of any building that has become vacant shall within 30 days after the building becomes vacant or within 30 days after assuming ownership, whichever is later, file a registration statement for each such building with the department of neighborhood services on forms provided by the department. The ordinance also requires the owner to enclose and secure the building. In addition, the ordinance specifies minimum requirements for vacant buildings that include lot maintenance, exterior maintenance, interior maintenance and building security standards. A violation of these regulations subjects the owner to the standard building code forfeiture - not less than \$150 per violation per day nor more than \$5,000 for each premises not to exceed \$10,000 imposed for any violation.

Whereas, Economic conditions and the rise in the number of mortgage foreclosures has resulted in a significant increase in the number of vacant buildings; and

Whereas, Vacant buildings often become abandoned and dilapidated because they are not maintained by their owners; and

Whereas, Vacant buildings often are not properly managed or monitored, may facilitate drug dealing and other criminal activity, may harbor vermin, attract trespassers, attract nuisance activity, and attract criminals and may be damaged by vandals or arsonists; and

Whereas, Vacant buildings invite dumping, trash and other debris; and

Whereas, Vacant buildings contribute to blight, causing a decrease in property values and

discouraging neighbors from making improvements to their buildings, encouraging neighbors to move out of the neighborhood and discouraging persons from moving into the neighborhood; and

Whereas, The City of Milwaukee spends additional public safety resources on vacant buildings, as well as the staff and time to secure or demolish vacant buildings; and

Whereas, The Common Council considers these vacant buildings to have a negative effect on the neighborhoods and constitute a hazard to the public health, safety and welfare; now, therefore

The Mayor and Common Council of the City of Milwaukee do ordain as follows:

Part 1. Section 200-19-2 of the code is amended to read:
