Resolution determining it necessary to make various nonassessable public improvements at various locations and appropriating funds for these purposes with the City engineering cost estimated to be $50,000 for a total estimated cost of these projects being $500,000.
This resolution authorizes engineering studies on projects which by City Charter are nonassessable. After design plans and estimates of costs have been prepared, a resolution authorizing construction will be submitted to the Common Council. The City cost for engineering these projects is estimated to be $50,000 with the total cost estimated to be $500,000.
Resolved, By the Common Council of the City of Milwaukee, that it is necessary and in the public interest to do the following described improvements according to City specifications:

8th Aldermanic District

City Lights Development (SM495100100): Install sanitary sewer and sewer lift station. (Nonassessable Sewer Maintenance Relay Fund -- $50,000). The total estimated cost for this project including the requested amount is $500,000. This project is anticipated to be completed during the 2010/2011 construction season.

; and, be it

Further Resolved, That all City Departments are authorized to perform engineering, surveys, plan preparation, and determine an estimated cost thereof; and, be it

Further Resolved, That the Department of Public Works is authorized to use the funding as specified in the above description of work; and, be it

Further Resolved, That the City Comptroller is authorized and directed to transfer such funds which are available for this purpose to the appropriate capital Project/Grant accounts.
