Said covered walk is centered approximately 66 feet north of the northline of East North Avenue. The minimal vertical clearance between the skirt of the covered walk and the sidewalk below is 8 feet.

Said above-mentioned covered walk shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said covered walk shall be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
