Currently, a food dealer license is issued for the period beginning on July 1 and ending on the following June 30. This ordinance provides for a 15-month food dealer license for food dealer licenses issued on or after April 1, as provided for in state law.

This ordinance also requires that an annual temporary food dealer's license applicant for the sale of food at farmers' markets pay the state of Wisconsin administrative fee which is on file with the Wisconsin department of agriculture, trade and consumer protection as required by state law.

Furthermore, this ordinance requires that food dealer license applicants provide additional information on their application forms at the request of the city clerk, commissioner of health or chief of police.

This ordinance also clarifies and makes certain non-substantive changes to various food-related licensing provisions.
